(3) Notwithstanding anything herein contained, the maximum gross load carried on a group of axles of a logging-truck may be equal to, but shall not exceed, the maximum gross load allowable under Schedule 2 for a group of axles the distance between the extremities of which is 3 feet greater than that between the extremities of the group of axles of the logging-truck.

(4) Any driver, chauffeur, or owner of any vehicle or combination of vehicles, or other person, who violates any of the provisions of this section or any of the provisions regarding weight conditions in any permit issued pursuant to section 7 or any seasonal weight restriction imposed shall be liable, on summary conviction, to a fine of not less than \$50 for the first conviction, not less than \$100 for the second conviction, and not less than \$200 for each further conviction.

(5) In the event of a corporation being convicted of any offence against the last preceding section, every officer and every employee of the corporation taking part in or being in anywise concerned in the act or omission constituting the offence shall be deemed to have committed an offence against this section, and may be prosecuted and punished therefor.

SECTION 6.—WEIGHING AND INSPECTION OF VEHICLES

(1) The driver of a vehicle on a highway, when so required by a peace officer or by any person authorized in writing by the Minister, shall:—

- (a) Stop the vehicle at the time and place specified by such peace officer or authorized person for the purpose of weighing the whole or part thereof by means of stationary or portable scales, measuring the dimensions of the vehicle and load, measuring and inspecting the tires thereon, inspecting the load carried, or for any other purpose under these regulations:
- (b) Drive the vehicle to the nearest public or Department of Highways stationary or portable scales for the purpose of weighing the vehicle and load:
- (c) Rearrange the load upon the vehicle or remove the whole or part of the load from the vehicle in order to comply with sections 2 or 5 of these regulations before continuing to drive or operate the vehicle.

(2) The driver of a vehicle on a highway, when directed by a traffic sign on the highway to drive over scales, shall drive the vehicle to the scales for the purpose of having an axle or a group of axles weighed, having tires measured, having the dimensions of the vehicle and load measured, or having the load inspected for any other purpose under this section.

(3) The gross weight of any tandem axles and the gross weight of any group of axles shall be the sum of the gross axle weights of all the axles comprising the tandem axles of the group of axles, as the case may be.

(4) The gross weight of any vehicle or combination of vehicles shall be the sum of the individual gross axle weights of all the axles of the vehicle or combination of vehicles.

SECTION 7.—PERMITS

(1) The Minister may in his discretion, by the issuance of a written permit signed by the Minister or his representative, authorize the driving or operation of any vehicle on a highway subject to the limitations or conditions contained in the permit, whether or not the vehicle conforms to the foregoing sections 2, 4, and 5, and thereafter the vehicle may be driven or operated upon a highway subject to such limitations or conditions.

(2) As a prerequisite to the issuance of a permit under this section, the Minister may require the applicant therefor to deposit with him a sum of money in an amount sufficient, in the opinion of the Minister, to pay the cost of repairing any damage likely to be done to the highway by reason of the driving or operation of the vehicle thereon.

(3) The applicant for a permit under this section shall pay a fee of \$2 in respect of each permit issued, except that no fee shall be payable in respect of permits issued to authorize the occasional operation of logging-trucks of excessive length when carrying boom-sticks.

SECTION 8.—MOVEMENT OF VEHICLES WHERE WORK IN PROGRESS

(1) On any highway where new construction, reconstruction, widening, repair, marking, or other work is being carried out, standard traffic signs approved by the Minister or his representative shall be erected indicating that men or equipment are working upon the highway.

(2) On any highway where new construction, reconstruction, widening, repair, marking, or other work is being carried out, standard traffic signs approved by the Minister or his representative may be erected, by or on behalf of the Department of Highways, to limit the rate of speed of vehicles or to restrict the manner in which a vehicle shall proceed upon such highway.

(3) Where traffic signs as indicated in subsection (1) or (2) are erected or placed on the highway, no person shall drive or operate a vehicle at a greater rate of speed than (or in a manner different from) that indicated on the signs.

(4) Where a flagman is controlling the movements of traffic around the section of highway being worked upon, no person shall drive or operate a vehicle other than as directed by the flagman.

(5) No person shall leave temporary traffic signs in place upon a highway after the cause for such traffic signs no longer exists.

SECTION 9.—WARNING DEVICES, DISABLED VEHICLES

(1) No person shall operate upon any public highway any passenger-vehicle that has a seating capacity of nine passengers or more, inclusive of the driver, or any vehicle having a capacity in excess of one-half ton of freight or goods, unless such vehicle is equipped with warning devices of a type approved by the Minister, and consisting of at least two flares, reflectors, fuses, or red lanterns for the purpose of warning the travelling public of an emergency breakdown during darkness, and at least two red flags of a minimum size of 12 by 12 inches for a like warning during daylight.

(2) Every operator of a vehicle of a type referred to in subsection (1) shall, when an emergency breakdown takes place upon a public highway during daylight, place two red flags upon the highway, one at a distance of approximately 100 feet in front of the vehicle, and one at a distance of approximately 100 feet behind the vehicle, and during darkness shall place two approved warning devices appropriate for use during darkness as provided in subsection (1) upon the highway at the same distance in front and behind the vehicle as aforesaid. For the purpose of this section, "darkness" means the period from one-half hour after sunset to one-half hour before sunrise and any other occasion when there is not sufficient light to render clearly discernible a substantial object on the highway at a distance of 200 feet, and "daylight" means the balance of the twenty-four-hour day.

SECTION 10.—SIGNS ON HIGHWAYS

(1) No person shall erect or maintain, or cause to be erected or maintained, on or over any highway any sign, advertisement, or guide-post, except with the approval of the Minister and subject to the provisions of this section.

(2) The Minister may cause any sign, advertisement, or guide-post erected or found on or over any highway, whether erected with or without his approval, to be altered, repainted, torn down, or removed from the highway without compensation to any person for loss or damage resulting from the alteration, removal, or destruction thereof.

(3) Except as provided in subsection (2), no person shall tear down, remove, displace, or deface, or in any way interfere with any traffic sign or guide-post erected on any highway by the Department of Highways, or by any person with the approval of the Minister.

(4) No person shall erect or replace signs or signboards, or shall paste or paint signs or notices, or advertising devices, within a distance of 1,000 feet from the boundary-line of any highway within the unorganized territory of the Province.

(5) No person, being the owner, occupier, or lessee of any land, shall permit or allow the erection or maintenance of any sign, signboard, or advertising device on the land owned, occupied, or leased by him where such sign, signboard, or advertising device is erected or maintained within a distance of 1,000 feet from the boundary-line of any highway within the unorganized territory of the Province, except with the approval of the Minister or any person authorized by him in writing.

(6) No person shall erect, place, maintain, or display upon or in view of any highway any unauthorized sign, signal, marking, or device which purports to be, or is in imitation of, or resembles any traffic-control signal or traffic sign, or which hides from view or interferes with the effectiveness of any authorized traffic-control device.

SECTION 11.—SAFETY EQUIPMENT

The Minister may, by public notice or by the placing of signs, prohibit vehicles from being driven or operated on a highway which are not equipped with chains or winter tires or sanding devices, or any combination of these which the Minister may consider adequate and necessary in view of prevailing road conditions.

SECTION 12.—LIGHTS ON CERTAIN VEHICLES

It shall be the duty of every person in charge of a vehicle on a highway other than a motor-vehicle, trailer, semi-trailer, or bicycle, to equip the vehicle with one lighted lamp mounted in a conspicuous position on the left side of the vehicle, approximately over a line joining the front and rear wheels of the vehicle and showing a white light readily visible from the front and the rear of the vehicle, during the period from one-half hour after sunset to one-half hour before sunrise.

SECTION 13.—TRAFFIC SIGNALS

(1) Except when otherwise directed by a peace officer, a driver of a vehicle shall obey the instructions of an applicable traffic-control device.

(2) Subject to the provisions of subsection (1), whenever traffic is controlled by traffic-control signals or devices exhibiting different-coloured lights successively or exhibiting arrows, the following colours only shall be used, and such terms or lights shall govern drivers of vehicles and pedestrians as follows:—

(a) Green light alone:—

(i) Vehicular traffic facing such light may proceed straight through or turn right or left, unless a sign at such place prohibits either such turn or designates the turning movement controlled by the signal, but vehicular traffic, including vehicles turning right or left, shall yield the right-of-way to other vehicles or pedestrians lawfully within the intersection or an adjacent crosswalk at the time such signal is exhibited:

(ii) A pedestrian facing such light may proceed across the roadway within any marked or unmarked crosswalk, subject to any special pedestrian traffic-control signal directing him otherwise:

(b) Yellow light alone when shown following the green light:—

(i) Vehicular traffic facing such light is thereby warned that the red light will be exhibited immediately thereafter, and such vehicular traffic shall not enter or be crossing the intersection when the red light is exhibited:

(ii) A pedestrian facing such light shall not commence to cross the roadway:

(iii) A pedestrian proceeding across the intersection and facing such light displayed after he entered the intersection:—

(a) Shall proceed to the sidewalk as quickly as possible; and

(b) Has a right-of-way for that purpose over all vehicles in the intersection:

(c) Red light alone:—

(i) Vehicular traffic facing such light shall stop before entering the crosswalk on the near side of the intersection, or if there is no crosswalk, then before entering the intersection, and shall, except as provided in clause (ii), remain standing until the green light is exhibited:

(ii) The driver of a vehicle which is stopped as closely as practicable to the crosswalk on the near side of the intersection, or if there is no crosswalk, then as closely as practicable to the intersection, in obedience to such light, may make a right turn, but shall yield the right-of-way to pedestrians and other traffic lawfully proceeding as directed by the signal at the intersection:

(iii) Notwithstanding the provisions of clause (ii), a right turn, as provided for therein, against a red light may be prohibited by a sign erected at the intersection:

(iv) No pedestrian facing such light shall enter the roadway, subject to any special pedestrian traffic-control signal directing him otherwise:

(d) Red light with green arrow:—

(i) Vehicular traffic facing such light and arrow may cautiously enter the intersection to make only the movement indicated by such arrow, but shall yield the right-of-way to pedestrians lawfully within a crosswalk and to other traffic lawfully using the intersection.

(ii) A pedestrian facing such light and arrow shall not enter the roadway until a green light alone or a "Walk" pedestrian-control signal is shown:

(e) Green arrow:—

(i) The driver of a vehicle facing the green arrow may make only the movement indicated by the green arrow, but shall yield the right-of-way to pedestrians lawfully within the crosswalk and to other traffic lawfully using the intersection:

(ii) A pedestrian facing the green arrow shall not enter the roadway until a green light alone or a "Walk" pedestrian-control signal is shown:

(f) Flashing red light alone: When a red lens is illuminated with rapid intermittent flashes, the driver of a vehicle facing such a red lens shall stop before entering the nearest crosswalk at an intersection or at a stop-line when marked or, if neither a crosswalk nor stop-line is marked, before entering the intersection, and shall not proceed until it is safe to do so:

(g) Flashing yellow light alone: When a yellow lens is illuminated with rapid intermittent flashes, the driver of a vehicle facing such lens may proceed through the intersection or past such signal only with caution:

(h) Whenever a special pedestrian-control signal exhibiting the words "Walk" or "Wait" or "Don't Walk" is in place, such signal shall indicate as follows:—

(i) "Walk": A pedestrian facing such signal may proceed across the roadway in the direction of the signal and shall be given the right-of-way by the drivers of all vehicles:

(ii) "Wait" or "Don't Walk": No pedestrian facing such signal shall start to cross the roadway in the direction of such signal, but any pedestrian who has partially completed his crossing on the "Walk" signal shall proceed to a sidewalk or safety island while the "Wait" or "Don't Walk" signal is showing:

(i) In the event a traffic-control signal is erected and maintained at a place other than at an intersection, the provisions of this section shall be applicable, except as to those provisions which by their nature can have no application. Any stop required shall be made at a sign or marking on the pavement indicating where the stop shall be made, but in the absence of any sign or marking the stop shall be made at the signal:

(j) No person shall move, remove, deface, damage, alter, or obstruct the view of or otherwise interfere with any authorized traffic-control signal.

SECTION 14.—TRAFFIC LINES

(1) If a highway is marked with a traffic-control device consisting of a distinguishing solid double line, vehicular traffic proceeding along the highway shall keep to the right of the line.

(2) If a highway is marked with a traffic-control device consisting of a broken line and a solid line, vehicular traffic proceeding on the highway on the side of the broken line shall keep to the right of such device except when making a passing manoeuvre, and vehicular traffic proceeding on the highway on the side of the solid line shall keep to the right of that line except when completing a passing manoeuvre.

(3) If a highway is marked with a traffic-control device consisting of a single broken or single solid line, vehicular traffic on the highway shall keep to the right of the single line except when passing an overtaken vehicle.

(4) A vehicle shall be driven as nearly as practicable entirely within a single lane and shall not be moved from such lane until the driver has first ascertained that such movement can be made with safety.

(5) No person shall drive on or over any newly painted line or marking on any highway when the line is indicated by red flags or signs.

SECTION 15.—TURNING AND BACKING RESTRICTIONS

(1) (a) If upon or over any highway a traffic sign or a traffic-control signal is erected or markings are painted indicating the direction in which vehicles shall proceed, no person shall drive a vehicle other than in the direction so indicated.

(b) If upon or over any highway a traffic sign is erected indicating that a certain vehicle movement is prohibited, no person shall drive a vehicle in a movement prohibited by the sign.

(2) No driver of a vehicle shall make a right turn from a highway unless he shall cause the vehicle to make the turn from the right-hand lane or as closely as possible to the right-hand curb or edge of the roadway.

(3) No driver shall turn left at an intersection unless he shall:—

(a) Have caused the vehicle to approach the intersection in the portion of the right side of the highway that is nearest the marked centre line;

(b) Keep to the right of the marked centre line of the highway at the place where the highway enters the intersection; and

(c) After entering the intersection, cause the vehicle to make a left turn so as to leave the intersection to the right of the marked centre line of the highway being entered.

(4) No driver shall turn left at an intersection where traffic is restricted to one direction on one or more of the highways entering the intersection, unless he shall cause the vehicle to approach the intersection in the extreme left lane available to traffic moving in the direction of travel of the vehicle, and unless after entering the intersection he shall cause the vehicle to make the left turn so as to leave the intersection as nearly as practicable in the left lane available to traffic moving in its permitted direction upon the highway being entered.

(5) No driver shall turn left from a highway other than at an intersection, except from the left lane or as closely as possible to the marked centre line of the highway.

(6) No driver shall cause a vehicle to turn so as to proceed in the opposite direction:—

(a) Unless he can do so without interfering with other traffic;

(b) At an intersection where a traffic-control signal is erected.

(7) The driver of a vehicle shall not cause the vehicle to move backwards into an intersection or over a crosswalk, and shall not in any event or at any place cause a vehicle to move backwards unless such movement can be made in safety.

SECTION 16.—PARKING RESTRICTIONS

Except when necessary to avoid conflict with other traffic or in compliance with the law or the directions of a peace officer, traffic-control signal, or traffic sign, no person shall cause a vehicle to stop, stand, or park upon a highway in any of the following places:—

(a) On any sidewalk or boulevard;

(b) In front of a public or private driveway;

(c) Within an intersection, or within 20 feet of an intersection, unless the intersection is formed by two highways only, one of which is a lane;

(e) On or within 20 feet of a marked or unmarked crosswalk;

(f) Within 30 feet of a standard sign displaying the word "Stop";

(i) Within 50 feet of the nearest rail of a railroad crossing;

(j) Alongside or opposite any street excavation or obstruction when such stopping, standing, or parking would obstruct traffic;

(k) Upon a bridge;

(m) Upon any highway for the principal purpose of:—

(i) Displaying a vehicle for sale;

(n) Upon a roadway, unless the vehicle is so mechanically disabled as to prevent its movement;

(o) On the roadway side of another vehicle already parked or standing at the curb or side of the highway.

SECTION 17.—PEDESTRIANS' RIGHTS AND DUTIES

(1) Where traffic-control signals are operating at an intersection, pedestrians shall comply with them in the manner provided in section 13.

(2) Where traffic-control signals have not been erected, or where traffic-control signals are not in operation, and a pedestrian is crossing the highway within a crosswalk and is upon the half of the highway upon which a vehicle is travelling, or is approaching so closely from the other half of the highway that he is in danger, the driver of the vehicle shall yield the right-of-way to the pedestrian.

(3) No pedestrian shall leave a curb or other place of safety and walk or run into the path of a vehicle that is so close that it is impracticable for the driver of a vehicle to yield the right-of-way.

(4) Where a vehicle is slowing down or is stopped at a crosswalk to permit a pedestrian to cross the highway, no driver of a vehicle approaching from the rear shall overtake and pass such vehicle.

(5) When a pedestrian is crossing a highway at a point other than within a crosswalk, he shall yield the right-of-way to the driver of a vehicle.

(6) Notwithstanding any of the provisions of this section, a driver shall:—

(a) Exercise due care to avoid colliding with a pedestrian who is upon the highway;

(b) Give warning by sounding the horn of the vehicle when necessary;

(c) Observe proper precaution upon observing a child or an apparently confused or incapacitated person who is upon the highway.

(7) Every pedestrian proceeding along any highway where a sidewalk is provided shall proceed upon the sidewalk.

(8) Every pedestrian walking along any highway where no sidewalk is provided shall walk on the extreme left side of the roadway, shall walk in single file, and, on being approached by an oncoming vehicle, shall step off the paved or normally travelled portion of the highway.

(9) No person shall be on a highway for the purpose of soliciting a ride, employment, or business from an occupant of any vehicle.

SECTION 18.—BUILDINGS

(1) No person, being the owner, occupier, or lessee of any land, shall, without the consent of the Minister, place, or permit to be placed, any building within a distance of 25 feet from the property-line fronting on any highway.

(2) Upon being satisfied by information on oath made before him that any building has been placed or erected, or is in the course of being placed

or erected, in contravention of this section, any Justice of the Peace may issue his warrant under his hand for the removal of such building, and may entrust the execution of such warrant to any peace officer or other person; and the person causing or permitting the offence aforesaid shall, on summary conviction, be liable to pay, in addition to any other penalty imposed by the Act or these regulations, all the costs and expenses incurred in and about the removal of the cause of the offence. Any process issued under this section shall be deemed to have been effectively served upon the owner and lessee of the land upon which the offending building has been erected if the same is posted upon the said building.

SECTION 19.—MAXIMUM PENALTIES

Every person who violates any provision of the preceding regulations, or who refuses or neglects to observe or perform any duty or obligation created or imposed by the preceding regulations, shall be liable, on summary conviction, to a fine of not more than \$500, unless otherwise provided.
